

DONNY OSBORNE

dw.

Former Buddy Rich protege and child prodigy Donny Osborne filled the Mel Torme drum position for over 20 years; one of the toughest gigs going. Donny is a regular at the Chicago Show, appearing in 2008 for the 7th consecutive year. His low-key easygoing presentation is always a highlight of the Chicago weekend.

Donny appears courtesy of Zildjian, Drum Workshop, Rebeats, and NotSoModernDrummer Magazine.
